

## The Four-Way Test Our Guiding Principles

From the earliest days of the organization, Rotarians have been concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business this is The Four-Way Test.

Adopted by Rotary in 1943, The Four-Way Test has been translated into more than 100 languages and published in thousands of ways. It asks these questions:

*Of the things we think, say or do:*

**Is it the TRUTH?**

**Is it FAIR to all concerned?**

**Will it build GOODWILL and  
BETTER FRIENDSHIPS?**

**Will it be BENEFICIAL to all concerned?**
